About This Game

Join the retro RPG world of Paperos - become a Knight of Pen and Paper in the newly revamped "Free Edition"!

You heard right! Enter and experience the horror of another beloved game franchise joining the dark side of free to play. Not tough enough? Turn on easy mode and pay your way to victory!

Play as both Party and Game Master playing a tabletop RPG (yeah, very meta) and face hours and hours of humoristic and nail-biting challenges!

Main features:

- The ultimate retro role-playing simulation - Free!
- Customizable players, characters, equipment and even game room.
- Seriously deep character creation: Make that Hipster Elf Paladin and pull it off!
- More contemporary geeky jokes than you can stuff in a CAVE! Gotta catch them all!
- Lots of monsters to slaughter and loot for that sweet, sweet equipment

-
- A crafting system so powerful it can turn even the dullest stones into brilliant charms
 - Huge amount of locations, side-quests, dynamic dungeons... and more!
 - Need even tougher challenges? Prove your worth in the New Game Plus mode

DISCLAIMER: Not compatible with the premium version of Knights of Pen and Paper 2! Progress cannot be transferred between free and premium version or vice versa.

Sick of corporate greed and cheap money-grabbing? Go back to the roots and check out true retro gaming:
