About This Content

In Splendor: The Strongholds, you build fortresses or destroy those of your opponents to gain a decisive strategic advantage. Depending on what strategy you choose, the Stronghold tokens will allow you to reserve up to three Development Cards or to acquire a Development Card free of charge, due to the three strongholds built on top. You can also choose to destroy other players' strongholds to hold up their progress! There are a number of possibilities for you to choose from in your quest for glory and prestige!

Features:

- Discover (or rediscover) a city from Splendor's Cities expansion
- New content: every player starts the game with 3 Stronghold tokens
- Develop all-new strategies to hold up your opponents in this incredibly tactical game expansion.
