No, this is not a video of the YDKJ TV show that aired on ABC in 2001. It's the YDKJ PC game with trivia all about TV shows!

As Sports and Movies before it, You Don't Know Jack Television continues the trend of focusing on a particular area of trivia. For the sake of brevity, my reviews of the two previous versions can be translated here. Once more, don't purchase this alone; buy it in the Classic Pack.. Wrong. 30Rock - Jack Donaghy. I do know Jack television.. Hosted by Schmitty, one of the better hosts of the series. Based on the YDKJ 2 engine with some very inspired new assets.. Wow. sometimes I feel old. Then I play this game and realise I know very little about TV older than me.. Growing up from the Jack Pack in the 90s, this was my favorite edition next to Movies! While the content of the questions is dated to me, it's still got charm to get together and go crazy with.. Wrong. 30Rock - Jack Donaghy. I do know Jack television.
